REFRIGERATION
FREEDOM® COLLECTION

Freedom® Collection FEATURES

★ COOL AIR FLOW TECHNOLOGY

Thermador Refrigerators and Freezers have never been more energy efficient. Cool Air Flow—upgraded with a new, quieter fan—is proprietary Thermador technology that optimizes and evenly distributes cold air throughout all parts of the unit.

OPEN DOOR ASSIST (NEW)

With the flexibility to either push or pull to open, new Thermador Auto Door Opening technology adds a luxurious touch as well as an option for a sleek, handleless design.

TFT DISPLAY (NEW)

A touch-screen TFT display panel controls settings, including individual temperature control, lighting and Open Door Assist.

THEATER LIGHTING (NEW)

See your ingredients in a new light. Theater-style, diffused lighting, ensures visibility while limiting hot spots.

SOFT-CLOSE DRAWERS

Luxury you can feel. Revel in a gentle, quiet glide when you open or close interior drawers.

ALL-LEG LEVELING

New all-leg leveling allows for quicker and faster installation.

DUAL EVAPORATOR AND DUAL COMPRESSOR SYSTEMS

Each cooling compartment in our bottom freezer units—refrigerator and freezer—has its own evaporator and compressor to eliminate odor transfer and keep food fresher, longer, with better humidity and air flow.

Freedom® Collection FRESH FOOD FEATURES

★ THERMAFRESH SYSTEM (NEW)

Controlled independently, the ThermaFresh System provides humidity control and temperature management where you need it most.

★ DELICATE PRODUCE BINS (NEW)

Avoid bruised produce and damaged herbs. Store your fresh-from-the-garden fruits and vegetables in luxury with removable Soft-Close Delicate Produce Bins.

★ FREE FLOW® COLD AIR SYSTEM

Free Flow Cold Air System adjusts the temperature of refrigeration doors to help keep items placed on interior shelves cool.

REDESIGNED HALF-GALLON BINS (NEW)

An all-new railing system offers a variety of placement options on the refrigerator door for redesigned half-gallon bins.

★ 23.5-INCH PRECISE FIT REFRIGERATION (NEW)

Specially designed 23.5" refrigeration is made for pairing with 18" and 24" freezer units to accommodate predetermined 42" and 48" spaces.

36-INCH REFRIGERATOR COLUMN (NEW)

With the new 36" Refrigerator Column, running out of room is not an option. Ample door space allows for personalized interior storage, helping you take your culinary creativity to new heights.

Completely Customizable INSIDE AND OUT

Featuring first-of-its-kind innovation, the Thermador Freedom® Refrigeration Collection is completely customizable, both outside and in. Whether storing fresh herbs and produce from the farmer's market, or pickled vegetables and homemade jams, newly designed shelving and Delicate Produce Bins can be configured to suit your culinary lifestyle.

Colder and **BOLDER**

From preserving homemade soups and sauces to providing ice that gives beverages signature flair, redesigned Thermador Freezers are built to stand up to the needs of any exceptional cook. With a new bin design, theater lighting for improved visibility, Soft-Close drawers and unique Diamond Ice, Thermador Freezers ensure you never get left out of the cold.

★ DIAMOND ICE

An eye-catching addition to any party, Thermador Diamond Ice features a unique shape that keeps drinks cold. Use Diamond Ice in your favorite craft cocktails to make a lasting impression.

★ SUPERFREEZE®

Get cooler, faster. Whether you're just returning from the market or freezing for future use, Super Freeze brings food to its ideal preservation temperature after placing it in the freezer.

IN-DOOR DISPENSER

With intuitive touch controls and completely integrated installation, the Thermador In-Door Ice and Water Dispenser is sleeker than ever. Proximity Sensor and stunning lighting make for a captivating filtered water solution.

FULL-WIDTH ICE DRAWERS

Full-width ice drawers have the capacity to hold more ice to help prepare for larger gatherings.

36-INCH FREEZER COLUMN (NEW)

With the new 36" Freezer Column, ample interior space lets you preserve every incredible moment in your culinary adventures.

Leave no pour less than **PERFECT**

Collect. Display. Share. And with exceptional storage, enjoy. An absolute must for wine connoisseurs, Thermador Wine Columns can hold up to 98 bottles and offer up to three zones to ensure your wines are stored at the optimum temperature and humidity. Diamond-shaped wooden dowels cradle each bottle, while a Presenter Shelf puts your favorites on display. Whether you're hosting a large gathering or simply enjoying a glass of wine at the end of the day, Thermador Wine Columns make every sip exceptional.

★ PRESENTER SHELF

Let your favorite bottles catch the eye. A newly designed Presenter Shelf made of Wenge wood and aluminum boasts a stylish design allowing you to place your favorite wines front and center.

★ DIAMOND DOWELS

Unique, diamond-shaped wooden dowels help control wine sediment by cradling bottles of every size for stability, as well as offer elegant presentation.

3-ZONE TEMPERATURE CONTROL

From Chardonnay to Pinot to Rosé, store all of your wines at the optimum temperature. The Thermador 24" Wine Column features UV glass and is equipped with three separate zones for individual temperature control.

HIDDEN RAILS

In these newly designed wine columns, the ball bearings and rails are completely out of sight. All you can see—and feel—is luxury.

The Complete **FREEDOM® COLLECTION**

Newly redesigned in 2017, the Thermador Freedom Refrigeration Collection offers the ultimate in personalized preservation. Choose from a variety of sizes, standout stainless steel or custom paneling with options for a handleless, push-to-open design, as well as interior configuration options to store everything from delicate produce to jarred preserves.

IN CONTROL

More cooking options. More flexibility. More exceptional. Thermador offers the most innovative induction cooktop collection in the luxury market, leading the way with three distinct product lines. Available in sleek designs to complement any kitchen, each cooktop provides unmatched precision for even the most challenging recipes, offering more means of control, movement and personalization with frame and glass color options. With Thermador Induction Cooktops, you have the power to prepare for everything from intimate dinners to grand parties—all you need to add is ambition.

INDUCTION COOKTOPS
MASTERPIECE® SERIES

Masterpiece® Series **INDUCTION COOKTOPS**

LIBERTY™ & HERITAGE COOKTOPS

The innovative Liberty Induction Cooktop empowers cooks to take advantage of more space and flexibility in placing larger cookware on the surface. Featuring 11 oval inductors divided into 3 cooking zones; each zone can accommodate pots and pans from 4" to 10", as well as teppanyaki grills that can measure up to 16" long. Additionally, all induction models combine incomparable performance with beautifully integrated design. Choose from 30" or 36" sizes in a variety of glass colors with or without frames, and customize your kitchen with a sleek, modern look.

★ **LIBERTY HEATSHIFT™ (NEW)**

Thermador HeatShift allows you to change the power level by simply moving the pot across the cooking zone. Perfect for recipes that require multiple heat levels, such as moving from a sauté to a simmer.

★ **LIBERTY MOVEMODE™ (NEW)**

Finished cooking the main course and ready to prepare the sauce? MoveMode allows easy transfer of settings without having to reset power levels when moving a pot across the cooktop.

★ **LIBERTY PANBOOST™ (NEW)**

Ideal for cooking with oil in a pan, PanBoost technology provides 30 seconds of maximum power, then automatically lowers heat to continue cooking.

★ **LIBERTY COOKSMART®**

Get consistent results for even the most complex recipes. CookSmart includes 5 preset frying levels so each dish as exceptional as the last.

LIBERTY STOPWATCH TIMER

Rather than counting down, this timer counts up to indicate how much time has passed since a meal has been cooking.

★ **HERITAGE 13-INCH TRIPLE ELEMENT**

Cooking is now three times more intuitive. The 13" Triple Element—the largest and most powerful in its class—activates induction levels based on the size of your cookware.

★ **HERITAGE 5,500W POWERBOOST®**

PowerBoost gets your cookware to a higher temperature faster, so you can quickly boil water for pasta or heat oil before sautéing.

DISHWASHERS

STAR SAPPHIRE®

Exceptional innovation that
**SHINES THROUGH
EVERY COURSE**

Introducing a rare, unequaled gem in the kitchen appliance industry: the new Thermador Star Sapphire® Dishwasher. Featuring everything entertainers need with unparalleled speed and capacity, it's the ultimate dishwasher that delivers exceptional results with our newest Thermador Exclusive features. Never again will you disrupt a dinner party to clean, dry and replenish wine glasses. With exclusive features like Star Speed®—the fastest 20 minute hot water cycle in the industry, as well as the largest wine glass capacity on the market—you'll always be ready for the next pour. Revel in the luxury dishwashing experience that only Thermador can deliver.

★ ENTERTAINER'S DRAWER (NEW)

Exclusive to Thermador, the Entertainer's Drawer provides two inches of clearance for hard-to-place items that are usually hand-washed, or that take up valuable space on the top rack. Easily load a variety of tools in your arsenal—from mini spatulas to large knives.

★ STAR GLOW (NEW)

Illuminate the inside of the dishwasher to set the mood that matches the occasion. Star Glow allows you to customize lighting and choose from three vivid shades of sapphire blue or three radiant shades of white.

★ STAR SPEED®

The fastest in the industry at an unprecedented 20 minutes, the Star Speed hot water cycle ensures you'll always be ready for another round.*

★ LARGEST WINE GLASS CAPACITY

No need to clean your glassware in two cycles; wash them all at once so you can get back to your guests. The Star Sapphire Dishwasher offers the largest wine glass capacity available in the industry, can hold up to 24 wine glasses on the top and bottom rack, and also features a wine glass caddy to provide the ultimate peace of mind for your most precious glassware.**

★ ULTRA SMOOTH GLIDE RACKS (NEW)

Load and unload dishes with ease. Gentle Smooth Glide Racks minimize friction, noise, and feel smooth so you can discreetly fill the dishwasher while entertaining.

★ TIME REMAINING POWERBEAM®

Always know exactly how much time is left in a cycle with the unique Time Remaining PowerBeam—a vibrant readout projected onto the floor below the dishwasher.

★ PREMIUM CONTROL PANEL

Easy on the eyes and smooth to the touch, the premium control panel is a sleek addition to the Star Sapphire® Dishwasher. Intuitive controls allow you to quickly find the setting you need—and never miss a beat while entertaining.
